sintons.co.uk

Rural outcomes grown.

These days, agricultural, farming and rural business matters are increasingly complicated and often require specialist legal knowledge and experience.

How we can help you

- Agricultural & rural land
- Rural family matters & trusts
- Farm sales & purchases
- Agricultural dispute resolution
- Rural businesses
- Farm tenancies
- Rural succession planning and partnership agreements
- Rural land development and renewables
- Option and promotion agreements
- Covenants, easements, mineral rights & clawback
- Woodland
- Farm and rural business refinancing

We understand family, rural areas and the countryside. Our strength is providing you with a full service, combining the traditional 'family lawyer' approach with our multi-skilled team, bringing expertise and experience to all matters, including complex situations.
